CyberKnife Centers OF TAMPA BAY

10 THINGS

to Know about CyberKnife Centers of Tampa Bay

1. This cutting-edge yet non-invasive treatment is pain free and requires little recovery, allowing for a **life less interrupted by cancer**.

2. With advanced image-guidance software tracking the tumor in real-time, patients are able to **breathe normally and relax comfortably during treatment**.

3. By utilizing CyberKnife, a **new option is offered for our patients with hard-to-reach tumors**, many of which were diagnosed as inoperable, including in the prostate, lung, brain, spine, liver, pancreas and kidney.

4. This outpatient treatment is complete in one to five 45-minute sessions, with the entire appointment taking only about an hour. This **allows patients to immediately resume normal daily activities**.

5. Our physicians also have the **expertise to treat noncancerous tumors**, such as Trigeminal Neuralgia and Acoustic Neuroma, with the CyberKnife system.

6. Using unparalleled treatment accuracy, our physicians are capable of targeting the tumor within a sub-millimeter.

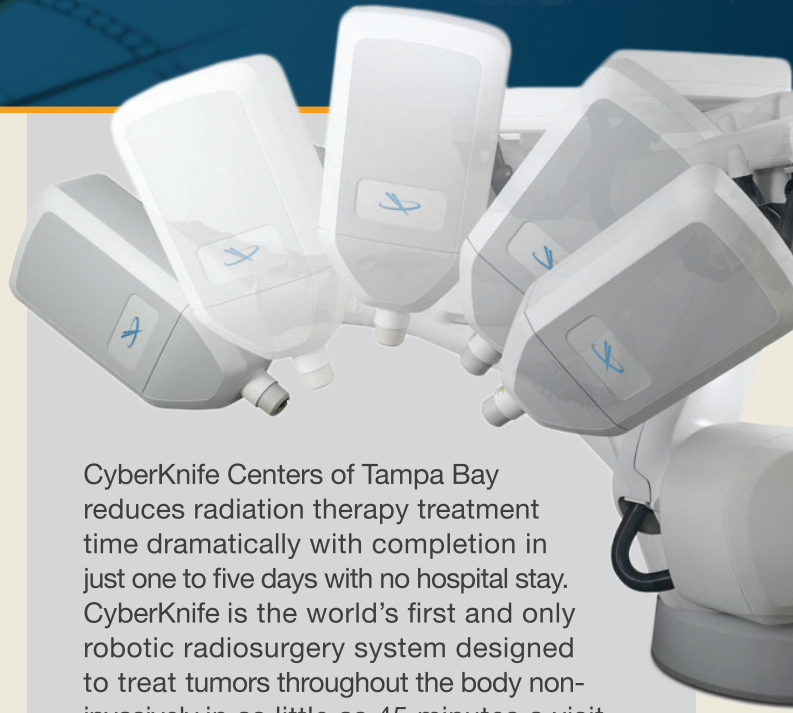
7. CyberKnife Centers of Tampa Bay is **actively involved in the Registry for Prostate Cancer Radiosurgery (RCPR)**, an independently funded and maintained observational trial seeking to highlight advantages of Stereotactic Body Radiation Therapy (SBRT) for prostate cancer patients.

8. Our CyberKnife radiation oncologists work closely with other specialties, including medical oncologists and urologists, to **ensure the most accurate and precise treatment is delivered** for every patient.

9. Since 2002, the CyberKnife Radiosurgery System has treated **over 100,000 patients world-wide with pinpoint accuracy**.

10. CyberKnife treatment is **covered by most insurance plans** and generally covered by Medicare.



CyberKnife Centers of Tampa Bay reduces radiation therapy treatment time dramatically with completion in just one to five days with no hospital stay. CyberKnife is the world's first and only robotic radiosurgery system designed to treat tumors throughout the body non-invasively in as little as 45 minutes a visit. Our physicians offer convenient cancer care in the heart of Tampa Bay.
